SECTION 1: PRODUCT IDENTIFICATION

Compound Name: STERAPRED® 5 mg 6 Day Uni-Pak (Prednisone 5 mg Tablets)
Product Type: Prescription Oral Steroid Therapy
Distributor's Name: Merz Pharmaceuticals, LLC
Address: 4215 Tudor Lane
Greensboro, NC 27410
Preparation Date: April 23, 2003

SECTION 2: COMPOSITION/HAZARDOUS INGREDIENT INFORMATION

Chemical Name	CAS Number	Percent (By Weight)	Exposure Limits in Air	
			OSHA PEL	ACGIH TLV
Prednisone	53-03-2	5 mg	N/A	N/A

SECTION 3: HAZARDS IDENTIFICATION

Emergency Overview: STERAPRED® 5 mg 6 DAY UNI-PAK may cause fluid and electrolyte disturbances, and problems with the musculoskeletal, gastrointestinal, dermatologic, metabolic, neurologic, endocrine, and ophthalmic systems. Urticaria and other allergic, anaphylactic or hypersensitivity reactions may also be observed.

Potential Health Effects:

Eye Contact: Not likely to occur under normal conditions of use.
Skin Contact: Not likely to occur under normal conditions of use.
Inhalation: Not likely to occur under normal conditions of use.
Ingestion: May cause fluid and electrolyte disturbances, and problems with the musculoskeletal, gastrointestinal, dermatologic, metabolic, neurologic, endocrine, and ophthalmic systems. Urticaria and other allergic, anaphylactic or hypersensitivity reactions may also be observed.
Chronic Effects: No data on this product.

SECTION 4: FIRST AID MEASURES

Eye Contact: Immediately flush eyes with plenty of water for at least 15 minutes, if irritation persists, obtain medical attention.
Skin Contact: If irritation develops, wash skin thoroughly with soap and water and contact a healthcare professional.
Inhalation: Not likely to occur under normal conditions of use.
Ingestion: May cause fluid and electrolyte disturbances, and problems with the musculoskeletal, gastrointestinal, dermatologic, metabolic, neurologic, endocrine, and ophthalmic systems. Urticaria and other allergic, anaphylactic or hypersensitivity reactions may also be observed.

SECTION 5: FIRE FIGHTING MEASURES

Flash Point and Method: Not determined
Flammable Limits: Not determined
Auto ignition Temperature: Not determined

Fire-Extinguishing Materials:	Use extinguishing media suitable for materials supporting combustion such as water fog, CO ₂ , foam, or dry chemical.
Fire Fighting Procedures:	Use self-contained breathing apparatus in enclosed or confined spaces or as otherwise needed.
Unusual Fire and Explosion Hazards:	None known

SECTION 6: ACCIDENTAL RELEASE MEASURES

Sweep up or take up with absorbent material and wash with water. If large quantities are spilled, flush spill area with water.

SECTION 7: HANDLING AND STORAGE

Handling:	Avoid unintentional contact with skin surfaces. Do not allow contact with eyes. Wash hands thoroughly after handling. Observe all labeling precautions and protective equipment recommendations.
Storage:	Store in a cool, dry location out of direct sunlight. Keep container closed when not in use.

SECTION 8: EXPOSURE CONTROLS AND PERSONAL PROTECTION

Engineering Controls:	None necessary for normal product handling.
Respiratory Protection:	None necessary for normal product handling.
Eye Protection:	None necessary for normal product handling. Avoid eye contact.
Protective Clothing:	None necessary for normal product handling. Clinicians repeatedly handling the product should wear gloves when handling STERAPRED® 5 mg 6 DAY UNI-PAK
Hygienic Work Practices:	Wash hands thoroughly after handling. No eating, drinking, or smoking in area.

SECTION 9: PHYSICAL AND CHEMICAL PROPERTIES

Vapor Density (Air = 1):	No data on this product
Boiling Point:	No data on this product
Solubility in water:	Dispersible
Specific Gravity:	No data on this product
pH:	No data on this product
Vapor Pressure (mm of Hg at 20EC):	No data on this product
Appearance and Odor:	White round, flat, scored tablet imprinted with either "DAN" above and below line and "5052" on the reverse side of the tablet or "Deltasone 5" imprinted on it.

SECTION 10: STABILITY AND REACTIVITY

General:	This product is stable and hazardous polymerization will not occur.
Incompatible Materials & Conditions to Avoid:	Store away from oxidizers and heat. Store below 30°C.
Hazardous Decomposition:	Carbon Dioxide and or Carbon Monoxide.

SECTION 11: TOXICOLOGICAL INFORMATION

Oral:	May cause fluid and electrolyte disturbances, and problems with the musculoskeletal, gastrointestinal, dermatologic, metabolic, neurologic, endocrine, and ophthalmic systems. Urticaria and other allergic, anaphylactic or hypersensitivity reactions may also be observed.
Skin:	Not Tested.
Ocular:	Not Tested.
Sensitization:	STERAPRED® 5 mg 6 DAY UNI-PAK is contraindicated in individuals

who have shown hypersensitivity to any of its components.
Reproduction: Not Tested.
Carcinogenic/Mutagenic: Not Tested.

SECTION 12: ECOLOGICAL INFORMATION

Persistence and Degradability: Readily and rapidly degradable.
Aquatic Toxicity: No data available on this product.

SECTION 13: DISPOSAL CONSIDERATIONS

For small amounts of STERAPRED® 5 mg 6 DAY UNI-PAK, discard as ordinary trash. For large quantities, contact Merz Pharmaceuticals, LLC for information on disposal options.

SECTION 14: TRANSPORT INFORMATION

No special requirements needed.

SECTION 15: REGULATORY INFORMATION

TSCA (Toxic Substances Control Act):

Components of this product are not listed on the TSCA Inventory.

CERCLA (Comprehensive Environmental Response, Compensation, and Liability Act):

This product contains no components subject to reporting or notification requirements.

SARA Title III (Superfund Amendments and Reauthorization Act):

Reportable Ingredients: None

California Proposition 65:

This product contains no components known to the State of California to cause cancer or reproductive effects.

WHMIS (Workplace Hazardous Materials Information System - Canada):

Not regulated.

SECTION 16: OTHER INFORMATION

Revision Summary: Original Submission November 6, 2002

The preceding information is based on available data and is believed to be correct. However, no warranty is expressed or to be implied regarding the accuracy of this information, the results to be obtained from the use thereof or the hazards connected with the use of the material. Since this information contained herein may be applied under conditions beyond our control and with which we may be unfamiliar, Merz Pharmaceuticals, LLC does not assume any responsibility for the results of its use. This information is furnished upon the conditions that the person receiving it shall make their own determinations of the effects, properties, and protections, which pertain to their particular conditions.
