RALEIGH, N.C. – MAY 3, 2016 – BUSINESS WIRE – Merz Aesthetics, a division of Merz North America (US affiliate of the global Merz Pharma Group), announced today that **NEOCUTIS®** Lumière and Lumière Riche were named *InStyle* 2016 “Best Beauty Buys” award winners for Best Eye Treatment and Best Eye Treatment for Dry Skin, respectively. Each year the publication polls the industry’s top experts to identify their must-have beauty products. This year’s winners are featured in the May 2016 issue of *InStyle*.

“It is an honor that *InStyle* continues to recognize our breakthrough formulas as Best Beauty Buys,” said Mark Lemko, Vice President and Head, Merz Aesthetics Skincare Division. “This is especially important to us because these products are relied upon by physicians to address common skincare concerns such as the signs of aging, oxidative stress and discoloration.”

This year’s *InStyle* award marks the 15th time that **NEOCUTIS** has been awarded the Best Beauty Buy title since 2009. Of those 15 award wins, Lumière has been honored as an *InStyle* Best Beauty Buy eight years in a row.

NEOCUTIS products are available for purchase exclusively through medical practices and skincare providers. For additional information, or to find an authorized **NEOCUTIS** Skincare provider near you, please visit www.NEOCUTIS.com

About Merz Aesthetics Skincare

Merz Aesthetics Skincare is a division of Merz North America, a specialty healthcare company dedicated to delivering a better total experience in aesthetics, dermatology and neurosciences.
