

# DESCRIBE<sup>®</sup> TRANSPARENT PFD PATCH SAFETY DATA SHEET (SDS)

## 1. PRODUCT AND COMPANY IDENTIFICATION

Product Name: Describe<sup>®</sup> Transparent PFD Patch  
Recommended Use: Tattoo removal accessory device  
Manufacturer: Merz North America, Inc.  
Address: 6501 Six Forks Road  
Raleigh, NC 27615  
Phone No.: 844-469-6379  
Hazmat Service Emergency Number: 800-373-7542  
International Shipments: +1-484-951-2432

## 2. HAZARD(S) IDENTIFICATION

This product is not considered to be hazardous per the Occupational Safety & Health Administration's (OSHA's) Hazard Communication Standard 29CFR1910.1200.  
Exposure to unpolymerized component reagents may aggravate those with pre-existing eye, skin, or respiratory conditions.

## 3. COMPOSITION / INFORMATION ON INGREDIENTS

| Name  | CAS Number |
|---|------------|
| Siloxanes and Silicones, dimethyl, mono (vinyl group)-terminated          | 68952-00-1 |
| Poly (dimethylsiloxane-co-methylhydrosiloxane), trimethylsilyl terminated | 68037-59-2 |

## 4. FIRST – AID MEASURES

General: Never give anything by mouth to an unconscious person; if you feel unwell consult a physician  
Inhalation: Move to fresh air; consult a physician if difficulty persists  
Ingestion: Rinse mouth but do not induce vomiting; consult a physician or poison center  
Skin Contact: Rinse affected area with water; consult a physician if irritation develops/persists  
Eye Contact: Flush with water for at least 15 minutes; consult a physician

### Symptoms/Injuries

Inhalation: Unlikely to cause respiratory irritation  
Ingestion: Unlikely to be harmful or have adverse effects  
Skin Contact: Unlikely to cause skin irritation  
Eye Contact: Unlikely to cause eye irritation  
Chronic Symptoms: Approved for implantation for up to 29 days

## 5. FIRE FIGHTING MEASURES

Extinguishing media: Water, Dry Chemical, Carbon Dioxide, or Appropriate Foam; do not use a heavy water stream which may spread fire.

Fire Fighting Protective Equipment: As in any fire, wear self-contained breathing apparatus (SCBA) pressure-demand, MSHA/NIOSH (approved or equivalent) and full protective gear.

Specific Hazards: Not considered explosive or flammable but will burn at high temperatures; may emit hazardous fumes under fire conditions.

## 6. ACCIDENTAL RELEASE MEASURES

Personal precautions: Use appropriate personal protective equipment (PPE) to avoid contact with skin and eyes

Method for cleaning up: Absorb with an inert material; store in an appropriate, closed container prior to disposal

Emergency response: Stop leak if safe to do so and absorb/contain any spills with dikes or absorbents to prevent migration

## 7. HANDLING AND STORAGE

Handle in accordance with good industrial hygiene and safety practices

Store in a dry, cool, well-ventilated area

Store away from sunlight, strong acids, strong bases, strong oxidizers, and metals

## 8. EXPOSURE CONTROL / PERSONAL PROTECTION

No exposure control parameters have been set for product or components

Ensure adequate ventilation and as good practice, it is recommended to have an emergency eyewash in the immediate area

Personal protective equipment: Protective clothing and gloves; safety glasses or goggles; National Institute for Occupational Safety and Health (NIOSH) approved respirator if inadequate ventilation present

Wash hands after handling and do not smoke, drink, or eat during use

## 9. PHYSICAL AND CHEMICAL PROPERTIES

|   |                    |
|---|--------------------|
| Appearance                              | Clear polymer film |
| Odor                                    | None               |
| Odor Threshold                          | No data available  |
| pH (Value)                              | No data available  |
| Melting Point/Freezing Point            | No data available  |
| Initial Boiling Point and Boiling Range | No data available  |
| Flashpoint                              | No data available  |
| Evaporation Rate                        | No data available  |
| Flammability (solid, gas)               | No data available  |
| Upper/lower flammability limits         | No data available  |
| Vapor Pressure                          | No data available  |
| Vapor Density                           | No data available  |
| Relative Density                        | No data available  |
| Solubility                              | No data available  |
| Partition Coefficient                   | No data available  |
| Auto-Ignition Temperature               | No data available  |
| Decomposition Temperature               | No data available  |
| Viscosity                               | No data available  |

## 10. STABILITY AND REACTIVITY

Reactivity: Hazardous reactions are not expected to occur under normal use

Chemical Stability: Stable under recommended handling and storage conditions

Possibility of hazardous reactions: Not expected to occur

Conditions to Avoid: Direct sunlight; extremely high or low temperatures (may decompose above 300 degrees F releasing formaldehyde vapors); incompatible materials

Incompatible Materials: Strong acids, strong bases, and strong oxidizers

Hazardous Decomposition Products: Carbon and silicon oxides

## 11. TOXICOLOGICAL INFORMATION

Not classified or known / no additional information

## 12. ECOLOGICAL INFORMATION

Not available

**13. DISPOSAL CONSIDERATIONS**

Dispose of this product according to all applicable regulations

Avoid release to the environment

**14. TRANSPORT INFORMATION**

Not expected to be hazardous for transport – always check applicable laws

**15. REGULATORY INFORMATION**

All ingredients are listed on the Toxic Substances Control Act (TSCA) inventory or exempt

Components are compliant with the Registration, Evaluation, and Authorization of Chemicals (REACH) regulation (European Union 1907/2006). MED-6015 and MED-6342 do not contain any of the chemicals or substances identified as Substances of Very High Concern (SVHC) by the European Chemicals Agency (ECHA), which oversees REACH compliance.

**16. OTHER INFORMATION**

Revision Date: 25 OCT 2016

The information contained in this SDS is to the best of Merz North America, Inc.'s knowledge and is believed to be accurate and reliable as of the revision date. However, no representation, warranty, or guarantee is implied or expressed regarding the accuracy, reliability, or completeness of this information. Information contained within this SDS is related to occupational exposure.
